Re: U.S. vs. Microsoft

Dear Ms. Hesse:

This letter will acknowledge my support for the settlement reached by the Department of Justice and Microsoft Corp.

Realizing the time and expense involved, there does not appear to be further reason to expend any more taxpayer money on an already long drawn out process. This case appears to have been thoroughly litigated and attempts by competitors to influence judicial review appear unfounded and contrary to the best interests of the consumer.

Thank you for the chance to express my view of this very important issue.

Sincerely,

Susan B. Sweetland
